SUBMISSION UNDER 37 CFR 1.114
(AMENDMENT)

Commissioner for Patents
Washington, D.C. 20231

August 5, 2002

Sir:

The following amendments and remarks are respectfully submitted in connection with the above-identified application, noting that an RCE and Petition accompany this Amendment.

IN THE CLAIMS:

Please add the following new claims:

27
10. A display unit for displaying an image based on an image signal inputted from an externally connected video source, comprising:
a processor adapted to control display of the display unit;
a memory in which at least display unit information is stored, wherein the display unit information includes an identification number for identifying the display unit; and
